

## Design Hotels™

Since 1993, Design Hotels™ has been curating a portfolio which includes 300+ privately owned and operated hotels that reflect the vision of independent hoteliers—or “Originals”—with a passion for culturally-rooted hospitality and cutting-edge design and architecture. From remote mountaintops to hidden beaches, and off-the-beaten-path escapes, each independent hotel in our hand-picked collection is a wholly unique creative expression, steeped in the history, culture, and the nature of its environment.
