

STRAF

In the shadow of Duomo di Milano, STRAF is an inviting tribute to Italian modern luxury. Housed in a 19th-century palazzo, the hotel presents interiors that fuse industrial chic with a welcoming embrace. Beauty is in the details, with every room and suite at STRAF combining warm-toned artwork with an industrial backdrop of brass and cement. Beyond captivating design, an extensive fitness and wellness area includes a resistance pool and a hammam, solidifying this Italian gem as an unparalleled sanctuary of relaxation. — [see more](#)
