

Le Petit Pali Brentwood

Set along Sunset Boulevard, Le Petit Pali Brentwood reimagines a 1940s motor lodge as an intimate, residential-style retreat centered on a garden courtyard. Its spaces are filled with natural materials, vintage accents, and brass-toned lighting, with a warm, house-like atmosphere. Just steps from the Getty Center, Santa Monica's coastline, and UCLA, the hotel offers a quiet, boutique-scaled escape on LA's west side. — [see more](#)
