

Good Hotel Antigua

Created to support NGOs benefitting local children, Good Hotel Antigua helps provide education and hospitality training within the local community. Set in a restored private mansion in UNESCO-listed Antigua, Guatemala, the hotel blends minimalist Dutch design with local craftsmanship. Natural materials, handcrafted furniture, and lush courtyards create a serene, contemporary retreat. Guests can enjoy Mediterranean-inspired cuisine with Guatemalan flair at partner restaurant Saúl, or unwind with a locally sourced drink in the Living Room bar. — [see more](#)
