

Palazzo Daniele

Minimalism meets majesty at Palazzo Daniele where monastic décor highlights standalone art and design pieces. Sparsely furnished spaces feature design pieces that blur the lines between art and function. In the nine suites, bare walls feature the cracks of time and monastic beds take center stage serving to exaggerate the grandeur of original ceiling frescoes and mosaic flooring. Ludovica + Roberto Palomba turned the building's layout around, converting the ground floor living areas into spaces for exhibiting art. — [see more](#)

Address

60 Corso Umberto 1,
Gagliano del Capo,
Puglia 73034, Italy

Closest Airport

BDS – Salento Airport

Rooms

112
