

## guesthouse by good neighbor

Discover a peaceful retreat set in a restored early 1900s Baltimore row home, steps from galleries, restaurants, and vintage shops. It features 7 thoughtfully designed rooms and a 9,000-square-foot garden with art and seating areas. Located above its own in-house café and design shop, the hotel is fully shoppable, so its signature scents and timeless design details can journey home with you. — [see more](#)
