

## Chapter Chianti

Set amid a breathtaking Tuscan countryside panorama, Chapter Chianti offers easy access to Florence, Siena, and Arezzo, each just a 30-minute drive away. As Tuscany's first lifestyle resort, it brings unique, contemporary design to one of Italy's most tradition-steeped regions. Clean lines, polished concrete, and bold textures by Tristan du Plessis pair with modern Italian pieces and unexpected art, redefining what a Tuscan hotel can be. — [see more](#)
