

Casa Foscolo Hotel, Istanbul

In the heart of Istanbul's historic Pera district, this hotel offers guests a rich cultural experience surrounded by iconic landmarks like Galata Tower, Istiklal Street, and the historic Tünel. The hotel combines its vibrant location with unique facilities, including flexible co-working spaces, a coffee shop, and a library. With its walls transformed into an exhibition space for local art, this neo-classical city retreat is a gateway to Istanbul's history and creativity.
