

# MIRA Earth Studios

Perched high in Valle de Guadalupe’s dramatic landscape, MIRA Earth Studios offers uninterrupted vineyard and valley views framed by minimalist, nature-integrated design. Spacious studios feature private terraces with jacuzzis, fire pits, and in-room infrared saunas. Rooted in the region, each studio is stocked with local food and wine, and the hotel partners with nearby chefs and winemakers—offering an immersive gateway to Baja California’s celebrated wine country. — see more
