II Our Conscious Journey

We believe that travel can be a force for good. We see our hotels as a global network of inspiring, forward-thinking spaces that make a positive impact on their surroundings, connect travelers to local communities, and enact gentler ways to move in the world.

Architecture

Create spaces that honour natural and cultural heritage during construction.

Waste

Promoting mindful and sustainable recreational activities for guests.

Energy

Lowering energy use through renewable resources

Water

Minimising water waste and offering access to clean water.

Products & Produce

Reduce carbon footprint by prioritizing local products and ingredients.

Culture

Creating spaces that act as cultural hubs for residents as well as travellers.

Recreation

Promoting mindful and sustainable recreational activities for guests.

Accessibility

Promoting sustainable ways of getting to and from the hotel.

Healthy Workplace

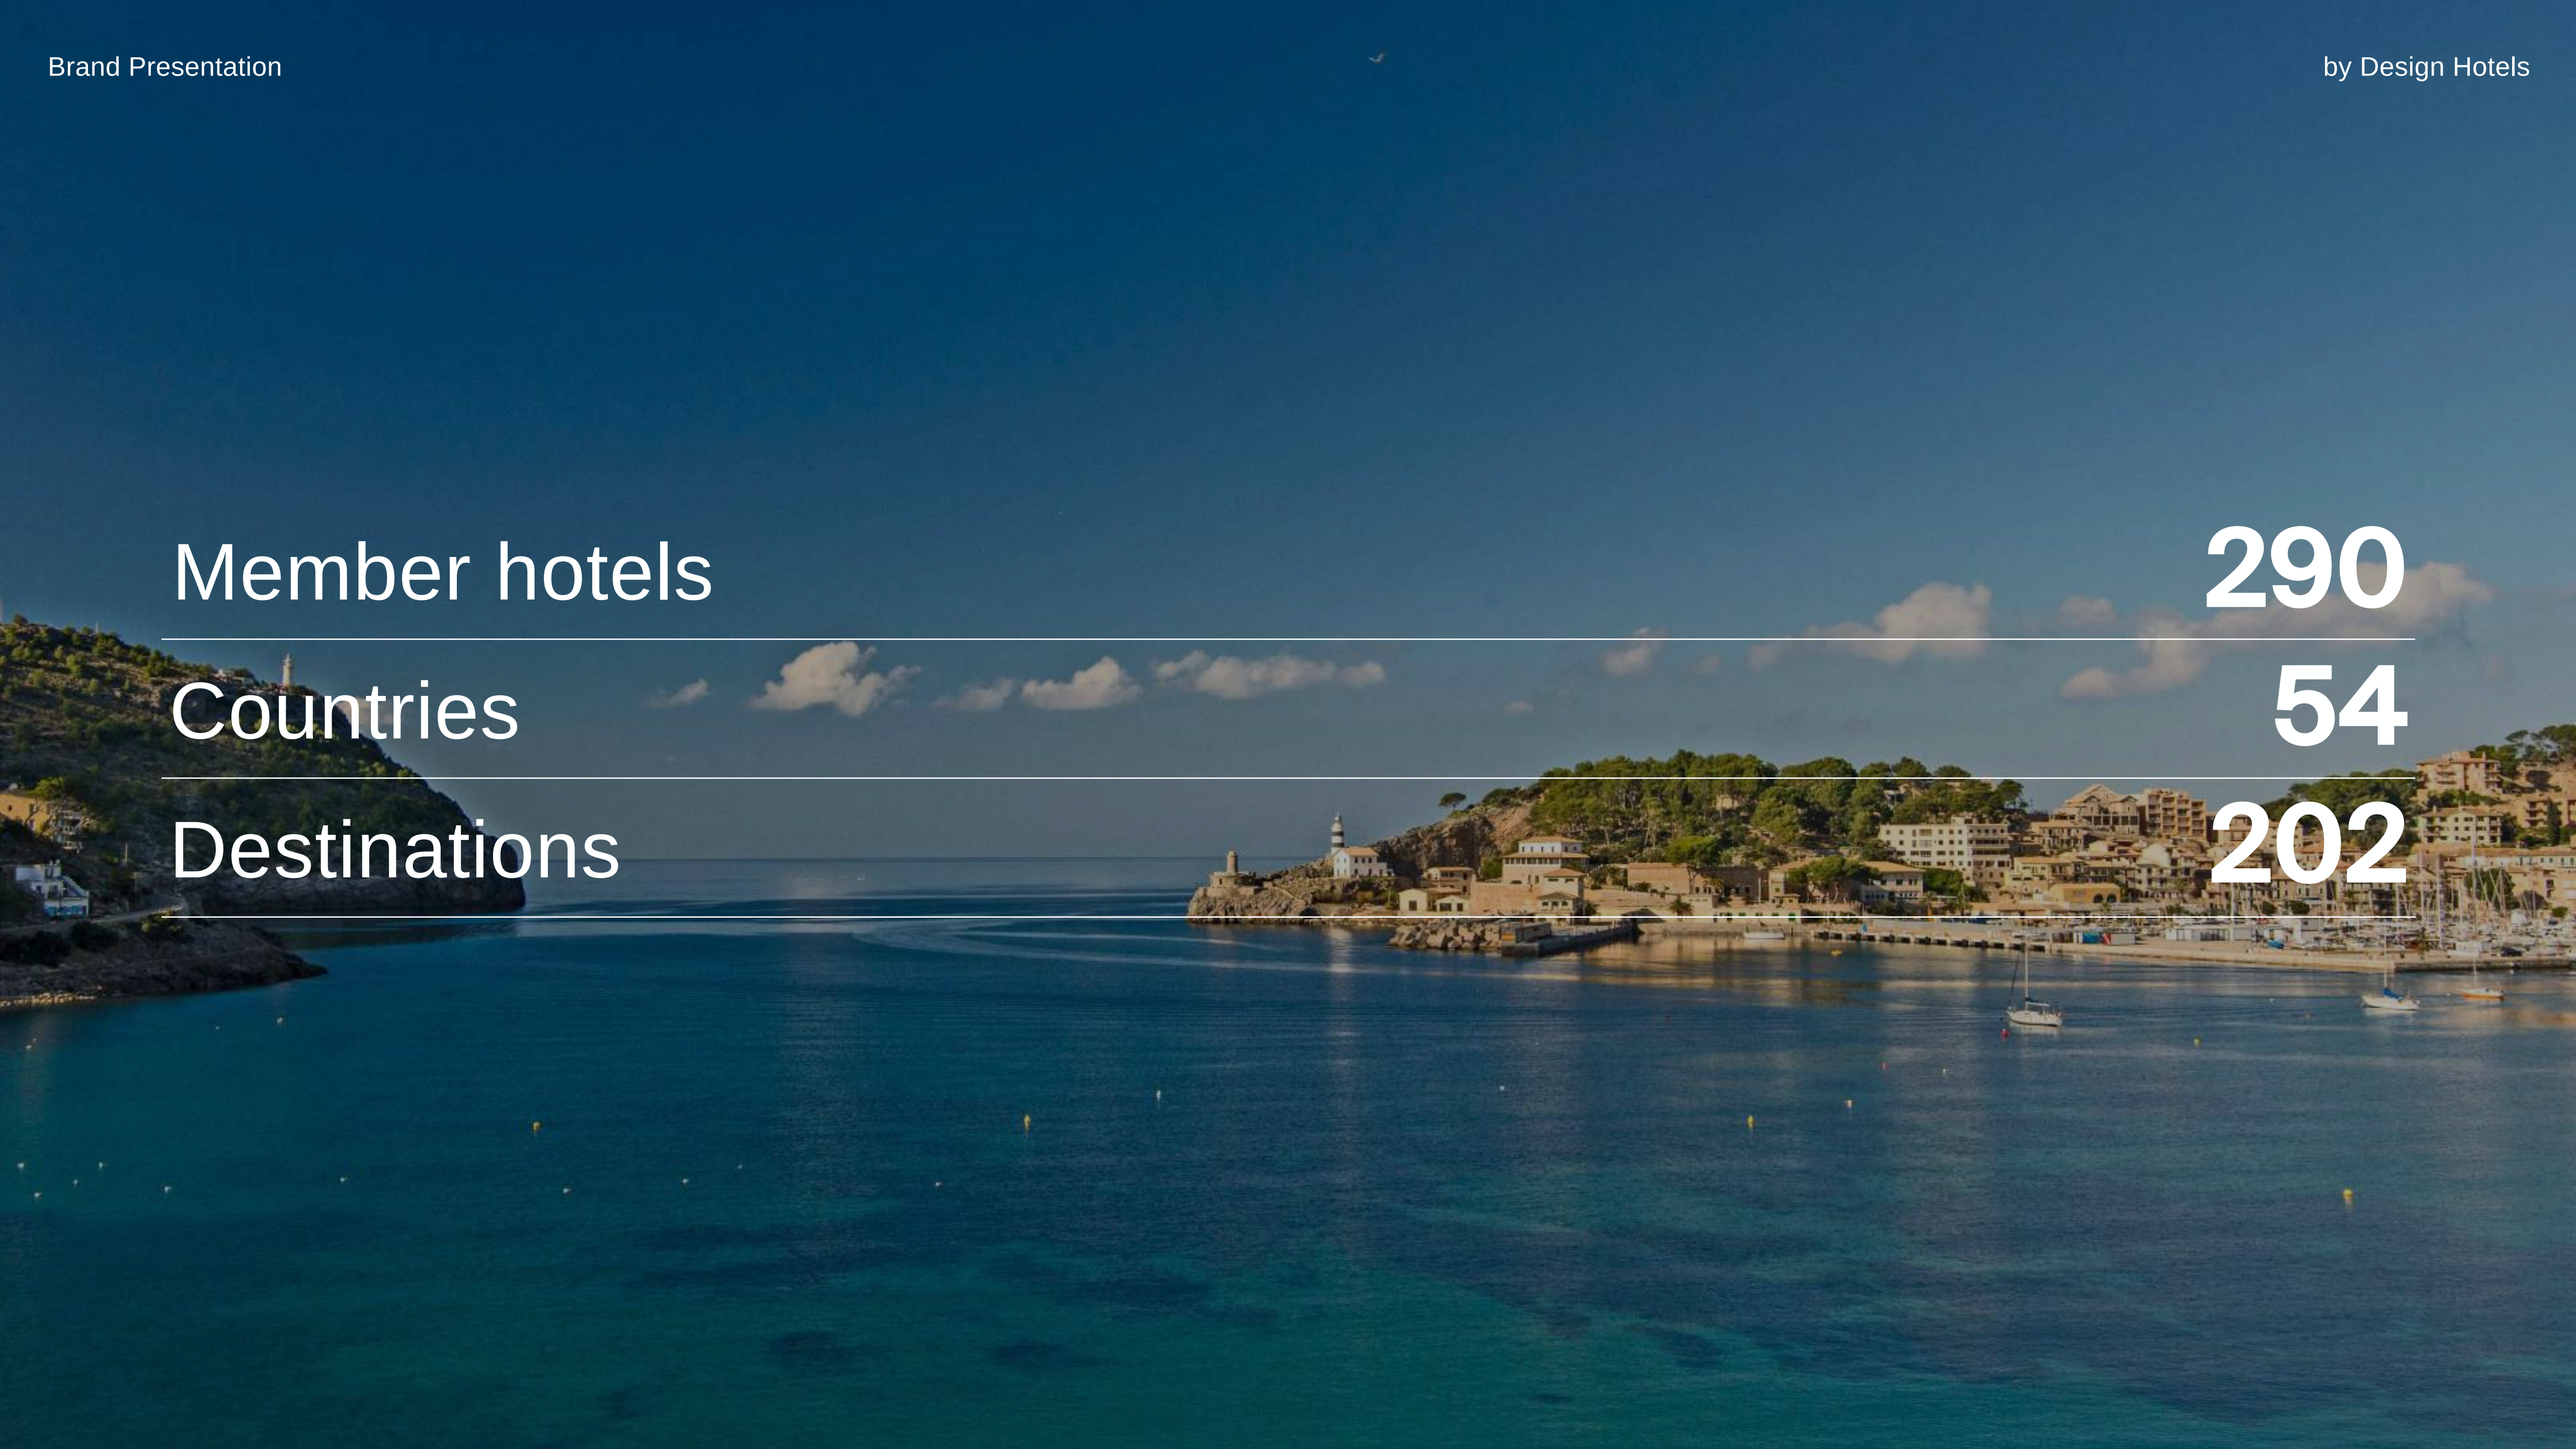

Hiring local employees and fostering environment where they can thrive.

Measure & Communication

Communicating openly about the journey towards a more sustainable future.
