Gröna Gången, 1
Stockholm 111 86
Sweden

Location

The site of Stockholm in its earliest form, Skeppsholmen possesses a dash of Old Europe, with grand buildings still alluding to its history and culture. The island prides itself on its Moderna Museet, an art museum in which one can ponder works from Picasso to Andy Warhol, as well as many other contemporary greats. Art spills into the cobbled streets, while impressive architecture is home to restaurants and tucked-away bars.
