

## Nomad Design & Lifestyle Hotel

Set in Basel's St. Alban district, Nomad Design & Lifestyle Hotel sits centrally between the Kunstmuseum and the Rhine, within easy reach of the old town. The building pairs concrete architecture with oak interiors, creating a calm, tactile atmosphere. Home to Nomad Bar, voted one of the top bars in Switzerland, it's a low-key, design-led base in one of the city's most walkable, culture-rich neighborhoods.
