

NEST Baja

Where the desert meets the sea, NEST Baja is a sanctuary of stillness and discovery. This design-forward retreat celebrates ancestral wellness, blending minimalist architecture with natural materials, handcrafted artistry, and spectacular panoramas. Guests unwind in ocean-view cottages with private plunge pools, stargazing nooks, and fireplaces, then immerse themselves in holistic rituals at the on-site spa and Temazcal or experience adventures that include surfing, kayaking, snorkeling, diving, and a UNESCO World Heritage marine reserve. — [see more](#)
