

# Magia de Uma

More than a retreat, Magia de Uma is an intimate sanctuary with a deep connection to place, cultural authenticity, and authentic nature-based design. Once a private family home, this hotel offers a tranquil, slow-living atmosphere, while still in proximity to the vibrant energy of nearby Canggu. Sustainability and community are at the heart of every experience—from farm-to-table meals to sound healing, yoga, temple walks, and artisan workshops. — [see more](#)
