

# Hotel Kinsley

In historic Kingston, New York, Hotel Kinsley is set across four restored buildings near the Catskill Mountains. Blending vintage charm with contemporary art, the hotel offers access to hiking trails, local farms, breweries, and Kingston's creative scene. Guests enjoy saunas, a private massage room, outdoor lounges, and e-bikes. Restaurant Kinsley serves modern American cuisine, while curated neighborhood guides highlight local culture, history, and natural beauty, making this hotel a perfect base for both relaxation and outdoor exploration. — [see more](#)
