

## Es Racó d'Artà

In the heart of Mallorca's Llevant Natural Park, Es Racó d'Artà offers an authentic retreat deeply connected to the island's traditions. At its core are the estate's organic farm and vineyard, which provide olive oil, wine, honey, and seasonal produce. Scenic trails invite gentle hikes or bike rides—less demanding than the Tramuntana—and nearby unspoiled beaches like Cala Torta and Cala Mitjana beckon. Just minutes away, the village of Artà enchants with artisan shops, cozy eateries, and partner galleries.
